Time from trial onset

There is a chance we will run into **bears**.

There is a chance we will run into **bears**.

There is a chance we will run into **bears**.
Yes, that's possible.
There are some trees and bushes.

(...)

There is a chance we will run into **bears**.
Yes, that's possible.
There are some trees and bushes.
Possibly a hiding place.
Yes, and then a meadow.
Right before the border.
We will just cross very fast and act normal.
They won't frisk us if we're lucky.   → Expectation violation

There is a chance we will run into **bears**.
Yes, that's possible.
There are some trees and bushes.
Possibly a hiding place.
Yes, and then a meadow.
Right before the border.
We will just cross very fast and act normal.
They won't frisk us if we're lucky.
If we see that there are a lot of cars, we will just leave.
Agree, I don't want to be arrested.

What was the meaning of the target word?
